

2021 FORD

EXPLORER[®]

ADVENTURE IS CALLING. HERE'S YOUR ANSWER.

We are all adventure-seekers in our own right, so it's only fitting that we'd seek out a vehicle that's not only built for our adventurous spirit, but named for it too. EXPLORER.

Whether you're an extreme-adventure enthusiast, or the "get out there and see the world with the family" type, the 2021 Ford Explorer is ready for almost anything. Convenient features like multiple USB ports, an LCD touchscreen, and an available wireless charging pad¹ help keep you in touch along the way. And, with seating for 7 passengers, a powerful 2.3L EcoBoost[®] engine, and plenty of cargo space behind the front row seat with the 2nd- and 3rd-row seats folded down – Ford Explorer helps get you where you want to go – with almost anything you want to take with you.

In Explorer, your adventures are ready and waiting.

Vehicle imagery throughout this brochure may be computer-generated and may include available and aftermarket equipment.

Limited. Star White Metallic Tri-coat.² 1. Qi wireless charging may not be compatible with all mobile phones. 2. Additional charge.

THE NEW LOOK OF CONFIDENCE.

From its sleek, sculpted contours to its wraparound LED headlamps and signature mesh grille, the Ford Explorer will turn heads wherever you take it. And, with available 20" premium painted aluminum wheels and a bold stance, there's no mistaking that this vehicle exudes confidence.

Limited. Carbonized Gray Metallic.

2021 FORD EXPLORER® | XLT | LIMITED

caribe.ford.com | centroamerica.ford.com

Getting away doesn't have to mean being disconnected, thanks to some convenient features right at your fingertips. Like the 8" LCD touchscreen that responds quickly to your voice or touch prompts and makes it easy to view available navigation map details. A simple turn of the finely calibrated rotary gear shift dial for the 10-speed automatic transmission lets you easily switch from Park to Reverse to Drive. While an available wireless charging pad¹ lets your phone charge cord-free, and available powerpoints located throughout the vehicle – including 2 USB-C ports – help keep everyone's devices charged and ready to go.

In here, we take the term "staying connected" literally.

U.S. model shown.

Limited. Ebony leather-trimmed seating surfaces. 1. Qi wireless charging may not be compatible with all mobile phones.

Settle in to one of the 1st- or 2nd-row seats, and you'll quickly see that Ford Explorer is as big on space as it is on comfort. With room for 7 and 3 rows, passengers will appreciate the expansive space on long trips – or on quick spins around the block. Available heated and ventilated driver and front-passenger seats keep everyone comfortable. While a dual-wall dashboard between the engine and passenger compartments, as well as acoustic-laminate glass for the windshield and 1st-row windows, help keep road noise to a minimum. And an available B&O™ Sound System with 12 speakers delivers crystal clear acoustics that elevate your listening experience.

U.S. model shown.

POWER MOVES.

[2.3L ECOBOOST® I-4]

A 16-valve DOHC design with twin-scroll turbocharger, cast-aluminum pistons, and an overboost function that lifts output on every gear change make this engine an all-around performer. Available Intelligent 4WD offers dynamic on- and off-road capability, and capable towing capacity – 1,361 kg. And a 10-speed automatic transmission delivers smooth responsiveness and confident performance on every drive.

Standard on every 2021 Ford Explorer.

300 MAX. HORSEPOWER¹
310 LB.-FT. MAX. TORQUE¹

XLT. Atlas Blue Metallic. Available equipment. **1.** Horsepower and torque ratings based on premium fuel per SAE J1349[®] standard. Your results may vary. Horsepower and torque are independent attributes and may not be achieved simultaneously.

UP TO

7 MODES

DRIVE
MODE

TO MATCH THE ROAD.

Not all roads are created equal, but Ford Explorer levels the playing field with Selectable Drive Modes. Rear-wheel-drive Explorer models offer 6 modes, while available Intelligent 4WD with the Terrain Management System™ offers 7 modes that are easily selected with a simple turn of a dial.

ECO

Exactly as it sounds. Eco helps maximize efficiency and increase driving range.

NORMAL

You'll probably spend the most time here. Ideal for everyday driving on wet or dry paved roads. A balance of excitement and convenience.

SPORT

Increases throttle response, provides quicker shifts for a more aggressive feel, and allows the transmission to hold shifts longer to help Explorer accelerate faster when shifting. For more "sporty" on-road driving.

TOW/HAUL

Moves upshifts to higher engine speeds to reduce the transmission shift frequency when towing. It also provides engine braking in all forward gears to slow the vehicle and assist in control when descending a grade.

TRAIL

Adjusts the transmission shift schedule, pedal progression, traction control and driveline configuration for better handling on muddy, rutted, soft or uneven terrain.

SLIPPERY

For better handling on surfaces covered with ice, water, grass or gravel, this mode adjusts the pedal response and traction control.

DEEP SNOW/SAND

Adjusts the transmission shift schedule, pedal response, traction control and driveline configuration for better handling in deep snow or sand. Included with available Intelligent 4WD only.

Limited. Iconic Silver Metallic.

FORD CO-PILOT360

Standard on every 2021 Ford Explorer

Changing lanes. Keeping your distance. Helping avoid potential collision hazards. Ford Co-Pilot360™ driver-assist features can help you in a variety of situations and conditions, as they can supplement your driving skills¹ and help you feel confidently in command.

- **PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING**
- **LANE-KEEPING SYSTEM**
- **BLIS® (BLIND SPOT INFORMATION SYSTEM) WITH CROSS-TRAFFIC ALERT**
- **AUTO HIGH-BEAM HEADLAMPS**
- **REAR VIEW CAMERA**

FORD CO-PILOT360 ASSIST+

Standard on Limited

Stay on track, and take comfort knowing you'll be guided along the way thanks to these high-tech features.

- **ADAPTIVE CRUISE CONTROL**
- **EVASIVE STEERING ASSIST**
- **VOICE-ACTIVATED NAVIGATION²**

AVAILABLE TECHNOLOGY

Get a clear picture of your surroundings. Find the perfect parking spot to fit your vehicle, and know that a little help is available when and where you need it most.

- **360-DEGREE CAMERA** *Standard on Limited*
- **FORWARD SENSING SYSTEM** *Standard on Limited*
- **RAIN-SENSING WINDSHIELD WIPERS** *Standard on Limited*

COMMANDING

AND CONFIDENT WITH FORD CO-PILOT360 TECHNOLOGY.

Limited. Rapid Red Metallic Tinted Clearcoat.³ Available equipment. **1.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations. **2.** Availability varies by market. **3.** Additional charge.

EVERYTHING IN HERE HELPS KEEP YOU CONNECTED TO EVERYTHING OUT THERE.

Staying in touch is easy in Ford Explorer. Voice-activated SYNC® 3 technology^{1,2} puts just what you need on the tip of your tongue – or right at your fingertips thanks to a vibrant 8" touchscreen – while your smartphone lets you use Siri® or Google™ to stay connected while keeping your eyes on the road and your hands on the wheel.

With your voice and your choice of display, SYNC 3 voice-activated technology^{1,2} connects your tech with your Ford Explorer, and puts you smartly in control with simple voice commands, or a quick tap or swipe of its standard 8" touchscreen. SYNC AppLink^{®3} gives you voice control of compatible mobile apps, too. Rather see your phone's familiar interface⁴ on the big screen? Take your pick.

1. Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Functionality varies by market. **2.** Availability varies by market. **3.** Commands may vary by phone and AppLink software. **4.** Requires phone with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.

Android Auto and Google are trademarks of Google Inc. Apple CarPlay and Siri are trademarks of Apple Inc., registered in the U.S. and other countries.

U.S. model shown. Screen display varies by market.

FITS YOUR LIFESTYLE. AND YOUR STUFF.

No matter how many things you need to fit into your day, Ford Explorer can handle them. Weekend in the great outdoors? Get maximum cargo room – 2,487 L of space¹ – by folding the 2nd- and 3rd-row seats flat. Afternoon foursome? Explorer can easily accommodate 4 sets of golf clubs with the 3rd-row seats folded. With the available PowerFold[®] feature, folding them down is as simple as pressing a button.

Life is full. Explorer gives you room to enjoy everything in it.

U.S. model shown.

Limited. Rapid Red Metallic Tinted Clearcoat.² Available equipment. **1.** With 2nd- and 3rd-row seats folded down. Cargo and load capacity limited by weight and weight distribution. **2.** Additional charge.

A LITTLE CONVENIENCE GOES A LONG WAY.

Sometimes, it's the little things that make a big difference. Like the power liftgate, standard on XLT, that allows you to open or close the liftgate with a simple press of a button. Or the available hands-free, foot-activated liftgate that opens or closes with a simple kick of your foot beneath the bumper — all while keeping your key fob in your purse or pocket. An adjustable liftgate lets you choose how high it opens. And convenient step pads just inside the rear doors make it easier to load and unload cargo from the roof should you need to.

XLT. Iconic Silver Metallic. / **Limited.** Rapid Red Metallic Tinted Clearcoat.

2021 FORD EXPLORER® | XLT | LIMITED

caribe.ford.com | centroamerica.ford.com

Everything in Ford Explorer was designed with you in mind. From push-button start that gets you on your way without having to use a key, to the convenience of the SecuriCode® keyless entry keypad that lets you lock and unlock your vehicle with a personal code, in here, you're top-of-mind. E-Z Entry 2nd-row seats make it easier for passengers to get into and out of the vehicle, while available 2nd-row sunblinds help block the sun's rays. 2nd-row USB and USB-C charge ports and an available 110V/150W AC power outlet help keep everyone powered up and ready to go. And available power-folding sideview mirrors with autofold and memory round out the hefty list of creature comforts that make Explorer uniquely yours.

XLT

At first glance, you can't help but notice the distinctive black mesh grille with chrome bars and signature LED headlamps that make this vehicle a standout. Take a closer look inside, and appreciate the leather-wrapped steering wheel and high-end ActiveX™ Seating Material. And, with standard features like a 10-way power driver's seat, and a 2nd-row 35/30/35 split fold-flat seat with E-Z Entry, it's easy to see why XLT is our most popular Ford Explorer.

XLT. Iconic Silver Metallic. Available and aftermarket equipment.
