

2021 Grand Cherokee

Jeep[®]

these roots
have run deep
since 1941

BORN AS A PURPOSE-BUILT 4x4 FOR THE FRONT LINES OF WWII IN 1941, JEEP® 4x4s SOON TRANSITIONED FROM THE BATTLEFIELDS TO THE FARM FIELDS AND BACKROADS, WHERE THEY HAD TO KEEP UP WITH HARD DAILY USE IN INDUSTRY AND RECREATION ALIKE. THROUGH 80 YEARS AND ALL MANNER OF TERRAIN AND WEATHER, A GROWING LINEUP OF JEEP® 4x4s HAS CONSISTENTLY MOVED THE BAR WITH STRONG DRIVETRAINS, INNOVATIVE ENGINEERING AND QUALITY COMPONENTS THAT STAND OUT FROM ALL OTHER 4x4 SUVs.

GO WITH THE WIND

Jeep

U.S. Uconnect® screen shown.

lean into the curves

For those who desire only the very best, Grand Cherokee Summit® offers options designed to meet your needs. These include a Uconnect® 4C NAV with a flush-mounted 8.4-inch full-color touchscreen that's easily integrated with your smartphone. The standard 825-watt Harman Kardon® Premium Audio System, with 19 well-placed speakers and 10-inch subwoofer, offers a concert-like experience to all passengers. Load cargo with ease, aided by the standard power liftgate.

Taking first-class passage to the very top of the lineup, Grand Cherokee Summit offers the addition of the fully wrapped Signature Leather Interior Package that features plush Laguna leather trim throughout: on the heated and ventilated seats, the instrument panel, doors, center console, glove box and armrests.

designed mastery

Crafted to exacting details, Grand Cherokee Summit® presents an elegant profile. Unique 20-inch fully polished wheels shine with a Satin Clear Coat, and a unique seven-slot grille is outlined in Platinum Chrome and filled with impressive mesh inserts, with dual bright exhaust tips in the rear. Summit styling climbs higher with its Platinum Chrome trim that enhances the roof rails and side window trim and available Black roof.

TODAY TONIGHT

top-tier standards

You're invited to an immediate "sensory-surround" experience by way of Grand Cherokee Summit® and its robust inclusion of high-level standard features found within its cabin. Its supportive yet highly cushioned seats are covered in Natura Plus leather trim with refined edge welting. Real wood and brushed chrome accents are found throughout, and especially stand out on the leather-wrapped, heated steering wheel. First- and second-row passengers enjoy heated seats as well. The standard Uconnect® 4 NAV dominates the front dash with its 8.4-inch full-color touchscreen and will fully integrate with your smartphone. The standard Harman Kardon® Premium Audio System situates 19 speakers in exactly the right locations, with a deep subwoofer that helps fill the cabin with concert-like sound.

CommandView® Dual-Pane Panoramic Sunroof

This dual-pane sunroof with single sliding-glass panel includes a power-controlled sunshade in front and a fixed-glass window in the rear. Available.

Active Noise Cancellation utilizes sound-absorbing technology to enhance the effect of the acoustic glass in place on the windshield and side windows. Available.

Heated and Ventilated Seats Both the first and second rows are heated, with instant cooling seat ventilation for the driver and front passenger. Available.

Dual-Zone Automatic Temperature Control Constantly adjusts air temperature inside the cabin to create separate customized environments for the driver and front passenger. Standard.

Blu-Ray™/DVD Player with Seatback-Mounted Video System Two 9-inch high-resolution screens integrated into the seatbacks can play DVDs and Blu-ray Discs.® Includes independent HDMI and RCA inputs for each screen. Available.

Remote Proximity Entry Keep the key fob in your pocket, open the door, get seated with your foot on the brake, press the Start button and simply shift into Drive. Standard.

Remote Start^{1*} Climb into a pleasantly preheated or precooled Grand Cherokee — featuring a 100-meter range. Available.

Acoustic Glass Acoustic windshield and laminated front-door glass help remove the distractions of traffic and wind noise to deliver a noticeably hushed and peaceful ride. Standard. Rear sunshade acoustic laminated glass is standard on Grand Cherokee Summit®, SRT® and Trackhawk® models.

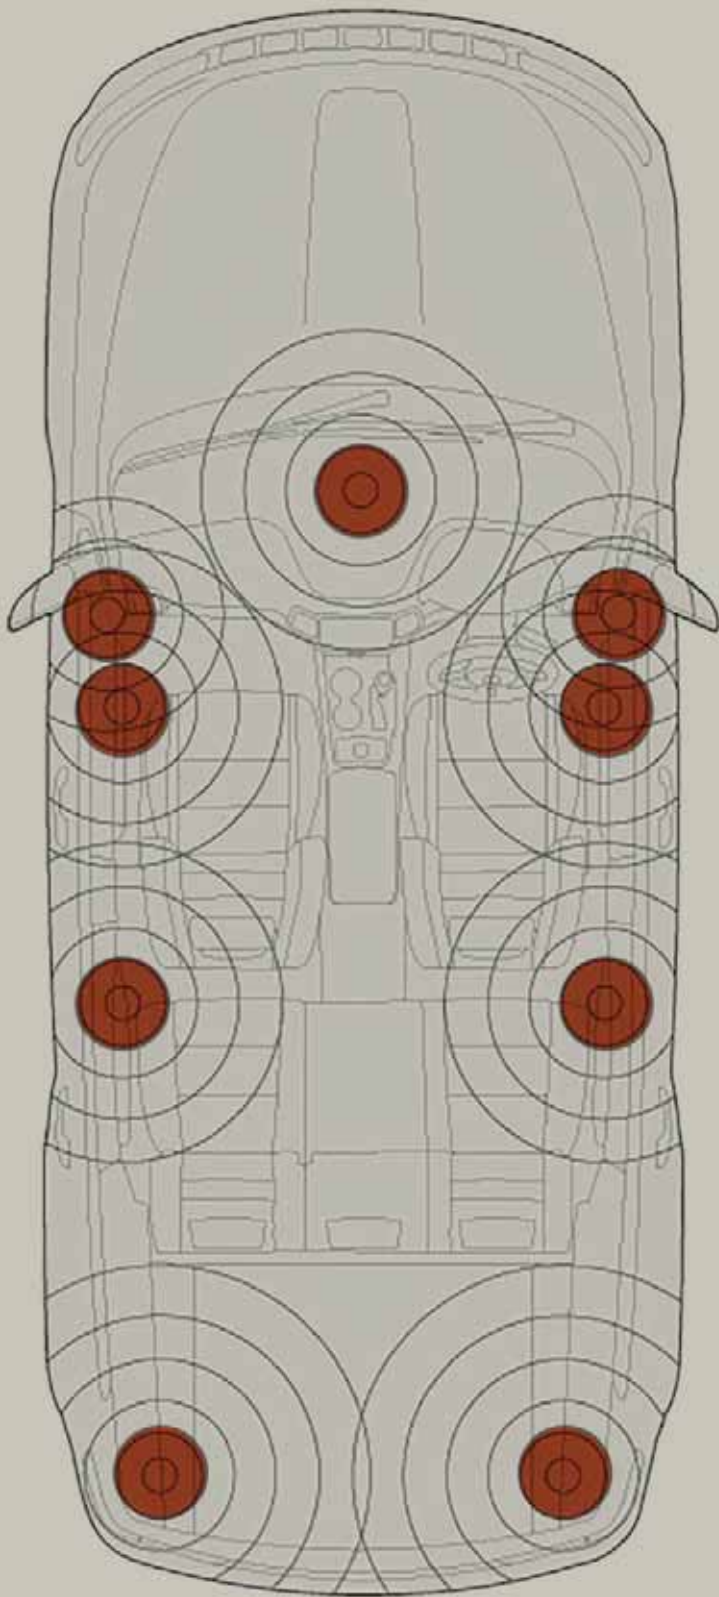

*All disclaimers and disclosures can be found on the last page.

U.S. Uconnect® screen shown.

strategic audio design

19 SPEAKERS SURROUND YOU

Enter this virtual concert hall and take your seat. Select your program, adjust the volume, and enjoy a true and very dynamic Surround Sound experience, brought to you by Harman Kardon®. Available.

Precisely tuned to maximize the cabin acoustics of Grand Cherokee, the available 19-Speaker Harman Kardon Premium Audio System takes you to places few other systems can.

Impressive dynamics feature a 10-inch subwoofer, designed to fill your personal soundstage. Get ready to feel the beat.

harman/kardon®

authentic 4x4

AUTHORITY

Jeep® Brand Four-Wheel-Drive (4WD) Systems

Quadra-Drive® II With the Electronic Limited-Slip Differential, you can gain ultimate traction by transferring up to 100 percent of torque to the rear wheel(s) with the best grip. Available.

Quadra-Trac II® All-Speed Traction Control quickly distributes power to the axle with the most traction. The two-speed transfer case acts quickly to keep you moving wherever challenging road conditions are found. Available.

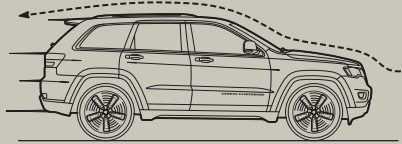

Always drive within your capability and experience level, and consistent with conditions.

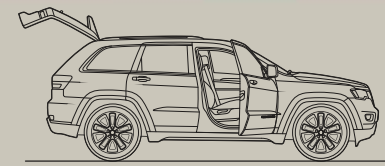

OFF-ROAD 1

OFF-ROAD 2

AERO

PARK

Available **Quadra-Lift® Air Suspension** adjusts your ride height to improve handling based on your driving needs. Quadra-Lift® smooths on-road handling, helps aid efficiency, and makes entry, exit and loading much easier. Raises up to 264 millimeters and lowers 40 millimeters from normal ride height. Allows for 508 millimeters of water fording² Available.

seasons of mastery

Head out with confidence. You're equipped to go anywhere, knowing just about everything regarding the performance of your Jeep® Grand Cherokee.

Snow

Selec-Terrain® Traction Management System Five selectable settings let you dial in to the type of 4WD traction control your Jeep Grand Cherokee needs at any particular moment. Selec-Terrain® pairs with an available 4x4 system, giving you the ability to tailor your capability to the road and driving conditions. Selec-Terrain helps to adapt traction performance with a selectable dial that features Snow, Sand, Auto, Mud and Rock settings. This intelligent system gives you ultimate driving confidence by coordinating 12 vehicle systems, including throttle control. Available.

Off-Road Pages Access real-time performance data so you know just how far your suspension is traveling, and see how you're faring on the trail with the tilt-and-pitch gauge. In-depth vehicle diagnostics, including wheel turn, articulation and transmission temperature, all help to provide an optimized experience. Available.

Rock

Sand

Mud

Auto

DO-EVERYTHING trail-master

The Trail Rated® badge is an emblem of authority, and every Grand Cherokee 4WD system has earned it — the hard way. Every Trail Rated vehicle in the Jeep® Brand lineup must successfully pass tests in five performance categories: Traction, Articulation, Maneuverability, Ground Clearance and Water Fording.² Navigating a Trail Rated Grand Cherokee hands over the confidence to conquer the most challenging conditions out there. You're equipped to experience all the thrills of remote off-road trails, as well as to tame Mother Nature's most demanding weather conditions.

powerful motion control

Selec-Speed® Control adds Hill Descent Control (HDC) (available) to the familiar Hill Start Assist. Hill Start Assist (standard) engages the throttle to help provide stable low-range control when going uphill, whereas HDC uses engine and physical braking to aid in vehicle control when going downhill.

Grand Cherokee Trackhawk®

Hold on tight. You're about to go from 0 - 96 kph in 34 meters.

Quadra-Trac® On-Demand Four-Wheel-Drive (4WD) System Authentic Jeep® Brand 4WD resides in a rear Electronic Limited-Slip Differential and a single-speed transfer case.

Selec-Track® with Launch Control Adjust your suspension based on the way you want to feel the road below. Press a button to choose from five performance settings: Track, Sport, Auto, Snow and Tow. Press the system's Launch Control button to optimize every possible setting for maximum acceleration off the line.

Brembo® High-Performance Brake System Four-wheel disc antilock brakes provide important stopping power, from 96 kph in 34 meters. Massive 400-millimeter rotors with six-piston calipers in the front and 350-millimeter rotors with four-piston calipers in the rear are clad in a distinctive yellow finish.

strength of a hero

Jeep® Grand Cherokee puts a range of advanced powertrain options in front of you. Choose how you'd like to move forward with strength, capability and the fortitude to tow.

3.0 V6 EcoDiesel engine This efficient and strong performer delivers a smooth ride at all speeds. And with its command of 179 kW and a hefty 569 N•m of torque, the EcoDiesel provides a surge of towing strength that can haul up to 3356 kg when properly equipped. Available.

The efficient and powerful 3.6 Pentastar® V6 engine Meet Grand Cherokee's standard proven performer. Its strength can pull up to 2818 kg when properly equipped. Engine Stop/Start (ESS) technology seamlessly and automatically shuts off the engine at full stops, then re-engages for takeoffs, resulting in a savings in fuel and lower emissions. Standard.

The 5.7 V8 engine with powerful towing Towing of up to 259 kW at 5200 rpm is earned via 520 N•m of torque at 4200 rpm when properly equipped. Quick and responsive, this engine also offers efficiency gains due to the helpful Variable Valve Timing (VVT). Available.

The 6.4 SRT® V8 engine Here, Fuel Saver Technology is at the very core of Grand Cherokee SRT®. The heart of Grand Cherokee SRT churns out 354 kW and 637 N•m of torque. Fuel Saver Technology optimizes efficiency when V8 power is not required, with no sacrifice in performance.

6.2 Supercharged V8 engine It powers the Grand Cherokee Trackhawk® with 527 kW under the hood, delivering a thrilling driving experience.

Standard 8-speed automatic transmission Moves with efficient, smooth-riding might, consistently using energy to its best advantage. You'll feel the enhanced acceleration and appreciate the reduced fuel consumption. Increased torque adds strength to pull. On Trackhawk and SRT, you can switch to Sport Mode, and both shifts and engine power are adjusted to hand over a sportier driving experience.

Eco Mode maximizes fuel efficiency It automatically modifies the shift schedule and torque converter. When you activate Eco Mode, idle speed is gently lowered, allowing gains in precious fuel economy.

accessorize at will

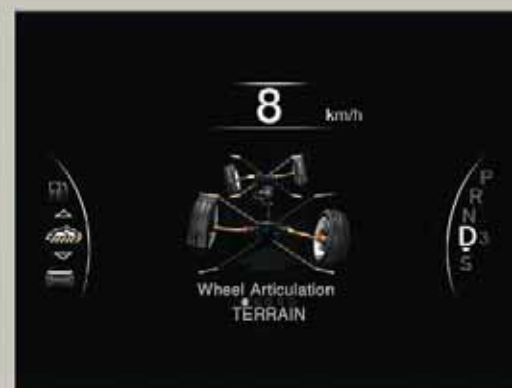

Trailer Tow Prep Group Bring your favorite toys with heavy-duty engine cooling, rear load-leveling suspension and a 180-amp alternator. Available.

Properly secure all cargo. Always tow within the vehicle's capacity.

discover what drives you

Access the 7-inch reconfigurable Multi-View Display Cluster while keeping your eyes safely on the road via controls on the steering wheel. You'll instantly scroll through a selection of vehicle data displayed on your instrument panel, including information on available navigation, performance stats, alerts and fuel consumption. Standard.

IN TOUCH WHEREVER YOU GO

The Uconnect® system is your customizable, connected vehicle platform dedicated to safe and seamless communication, navigation and entertainment — all from one easy-to-use touchscreen.

Uconnect®

Apple Watch compatibility.

8.4-inch Uconnect® Touchscreen Display

Drag-and-Drop Menu Bar

COMPATIBILITY YOUR WAY

Uconnect® brings a wide range of interactive features to your vehicle and beyond through a highly intuitive communication experience.

UCONNECT® PHONE

Stay connected safely. Pairs a Bluetooth® phone to send and receive hands-free³ calls. Includes:

- **DO NOT DISTURB** to route incoming calls to voice mail and suppress text messages⁴
- **VOICE RECOGNITION** to make hands-free³ calls, listen and respond to text messages⁴; record voice memos, and select media stations and navigation destinations.

DRAG-AND-DROP MENU BAR

We've made it easy to customize your Uconnect dashboard with your favorite features and services. Simply press the Uconnect icon on the main menu bar to view all of the available apps. Tap and hold any one of the icons to drag and drop into a personalized menu bar.

Display your favorite iPhone® apps right on your Uconnect® touchscreen. Access your iTunes® library, call anyone in your contacts list or just ask Siri®5 to help you out while you drive. Get directions, make calls and send messages, and connect to Apple Music, all without pausing your drive. Standard.

Bring the best of Google with you in your Uconnect system. Talk to Google on Android Auto™6 and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say, “Hey Google” or long-press the voice-control button on your steering wheel. Standard.

achievement arrives with perks

Grand Cherokee fulfills the quest for head-turning style supported by authentic capability.

Travel to all those places you've always hoped to discover by way of a luxurious legend that doubles as a powerful road warrior.

arranged to take it all in

Whether you're heading out to roam the world or taking a trip across town, Jeep® Grand Cherokee is ready to adapt, carrying passengers, cargo and pets in spacious comfort.

The fold-forward front-passenger seat adds a convenient surface that can enhance your cargo-carrying capabilities. By flipping the passenger seat forward, you're able to carry longer items. Available.

This interior adjusts to fit your needs Each section of the 60/40 split-folding rear seat folds separately to create a customized space, including a large rear cargo area that offers up to 1.93 cu m with the rear seat folded down. Standard.

Operate the power liftgate by pressing a button on your key fob to open Grand Cherokee's rear cargo area before you arrive. Fill the space with a full array of luggage, groceries and supplies when the 60/40 split-folding rear seats are folded down. Available.

confidence moves you ahead

With more than 70 standard and available Safety and Security features, Jeep® Grand Cherokee helps you remain confident driving in all weather conditions, over all terrain. The strength of a reinforced structure adds a welcome layer between you and the outside world, with both passive and active systems working together to keep everyone safe and secure.

SAFETY & SECURITY

Standard

- ParkView® Rear Back-Up Camera⁷ with Dynamic Grid Lines and Trailer View
- Blind Spot Monitoring⁸ and Rear Cross-Path Detection⁷ Systems
- ParkSense® Rear Park Assist System⁹
- Rain-Sensing Windshield Wipers

Available

- Adaptive Cruise Control with Stop¹⁰
- Parallel and Perpendicular Park Assist⁹
- Forward Collision Warning with Active Braking¹¹
- LaneSense® Lane Departure Warning with Lane Keep Assist¹²
- Advanced Brake Assist
- Auto High-Beam Headlamps

Blind Spot Monitoring⁸ and Rear Cross-Path Detection⁷ Systems

These systems monitor the space between you and other drivers. When a side or rear blind spot is encroached, you're notified via helpful icons illuminated on sideview mirrors and an audible chime. Standard.

ParkView[®] Rear Back-Up Camera⁷ with Trailer View Back out safely with grace. This system helps bring previously hidden rear objects to your attention, either on-screen or with an audible warning, in good time to react. You can also keep an eye on anything in tow while in motion. Standard.

ParkSense[®] Rear Park Assist System⁹ Works in tandem with ParkView[®] Rear Back-Up Camera⁷. When the vehicle is in Reverse, the screen displays a dynamic distance grid to help gauge your rear perimeter. Standard.

Electronic Stability Control (ESC)¹³ A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should they detect you're veering off your intended path. ESC¹³ coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) and Brake Assist, All-Speed Traction Control and Trailer Sway Control (TSC)¹⁴, sending them into action when needed. Standard.

Adaptive Cruise Control with Stop (ACC Stop)¹⁰ Take the guesswork out of keeping a safe following distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring Grand Cherokee to a complete stop, without driver intervention, to help avoid a collision. Available.

Forward Collision Warning with Active Braking (FCW+)¹¹ Sensors detect when Grand Cherokee may be approaching another vehicle too rapidly, sending an audible and visual alert to the driver and providing 1.5 seconds of brake assistance if the driver does not react in time. Available.

Parallel and Perpendicular Park Assist⁹ This active guidance system controls steering automatically using ultrasonic sensors that help you ease into parking spots. Includes ParkSense[®] Front Park Assist⁹ sensors. Available.

LaneSense[®] Lane Departure Warning with Lane Keep Assist (LDW+)¹² Provides a visual and audible warning should the vehicle drift outside of lane boundaries or if the driver's hands are off the wheel. Available.

Rain-Sensing Windshield Wipers and Rain Brake Support Rain showers should never be a showstopper. Front wipers activate when raindrops are detected. The smart brake system helps dry the brake rotors on wet roads. Standard.

Integrated Voice Command with Bluetooth[®] Allows drivers to safely send, reply or listen to a text⁴ (not compatible with iPhone[®]), take or make phone calls, and request detailed information, like fuel prices, while keeping both hands on the wheel. Standard. Navigation commands available on Uconnect[®] 4 NAV.

Trailer Sway Control (TSC)¹⁴ Crosswinds and traffic hold no sway over you and your payload. As part of ESC¹³, TSC¹⁴ helps keep you and the toys you tow safely on course. Standard.

Sentry Key[®] Engine Immobilizer A unique, embedded key code matched only to your vehicle helps keep your Grand Cherokee safely where you parked it. Standard.

A Secure Air Bag¹⁵ System Your need for security is fully respected with Grand Cherokee's all-around air bag¹⁵ system. Full-length side-curtain, seat-mounted side thorax, and advanced multistage front and driver inflatable knee blocker air bags¹⁵ all work together to help provide protection. Standard.

Chassis Strength Maintain peace of mind with this strong safety cage constructed with 65 percent high-strength steel. Standard.

2021
Grand Cherokee

Grand Cherokee Trailhawk® The most adventurous are determined to experience it all — and virtually nothing will stop Jeep® Grand Cherokee Trailhawk® from taking them all the way. The harshest terrain and most intimidating weather conditions are easy prey for this predator's authentic Trail Rated® Quadra-Trac II,® with All-Speed Traction Control that quickly distributes power to the axle with the most traction, and a full complement of underbody armor and skid plates that add to Trailhawk's attractive off-road prowess.

U.S. Uconnect® screen shown.

STANDARD

- 3.6 Pentastar® V6 engine with Stop / Start technology
- Quadra-Trac II® 4WD System
- 8-speed automatic transmission with Classic-style shifter
- Quadra-Lift® Air Suspension System and Selec-Terrain® Traction Management System
- Neutral Gray grille, roof rack and exterior badging
- Black anti-glare hood decal
- Red tow hooks (not available in all markets)
- Skid plates – Fuel tank, transfer case, front suspension and underbody
- Selec-Speed® Control
- Bi-xenon High Intensity Discharge headlamps with Signature LED daytime running lamps
- Premium fog lamps
- LED taillamps
- 18-inch Polished Aluminum wheels with Low-Gloss Black-Painted pockets and Red Willys Logo
- Capless, power-locking fuel-filler door
- Tinted glass
- Leather-wrapped heated steering wheel with paddle shifters and controls for audio, Siri® Eyes Free, speed, Multi-View Display Cluster, and Integrated Voice Command with Bluetooth®

Grand Cherokee SRT® Authentic capability and style are just part of the story of this SRT®. An authentic Jeep® Brand 4WD system is paired to an incredibly powerful 6.4 HEMI® SRT V8 engine. An adaptive damping system is managed by the five-mode Selec-Track® system that allows you to adapt SRT to the road and conditions. A high-performance Brembo® SRT Antilock Brake System (ABS) bears Red-painted calipers at all four corners for the stopping power this beast requires.

2021 Grand Cherokee 80th Anniversary Edition

YOUR QUEST FOR FREEDOM CAN BE REALIZED IN A JEEP® GRAND CHEROKEE THAT'S AS UNIQUE AS YOU ARE. THIS ANNIVERSARY EDITION OFFERS A COMBINATION OF LUXURIOUS INTERIOR FEATURES AND FINESSED EXTERIOR STYLE, ALL BACKED BY AUTHENTIC CAPABILITY.

INTERIOR

1) Ventilated Nappa leather with Light Tungsten accent stitching – Black

WHEEL

1) 20-inch Satin Gloss Granite Crystal Aluminum

Jeep® Grand Cherokee 80th Anniversary Edition

The Jeep Brand celebrates driving adventures for eight decades with this very special addition to the Grand Cherokee lineup. Unique exterior accents shine in Satin Gloss Black: on the grille rings and entry step pads, as well as on the 20-inch Satin Gloss Granite Crystal wheels. Inside, Black ventilated Nappa leather-trimmed seats with Light Tungsten accent stitching are deeply cushioned and inviting. Interior Anodized Gun Metal accents add premium ambiance. Safety and security stands in the forefront, with standard Advanced Brake Assist, Forward Collision Warning with Active Braking,¹¹ Adaptive Cruise Control with Stop,¹⁰ LaneSense® Lane Departure Warning with Lane Keep Assist,¹² and Parallel and Perpendicular Park Assist.⁹

AUTHENTIC JEEP® BRAND VEHICLE ACCESSORIES

When it comes to Grand Cherokee, not all parts and accessories are created equal. As the official service, parts and customer care provider for the Jeep® Brand, only Mopar® Parts and Accessories can ensure the proper fit, finish and functionality. That's because they're original equipment, engineered by the same people who designed your vehicle, which means you can personalize your ride with complete confidence.

Mopar is also more than parts and accessories. We're here to help you properly maintain and care for your vehicle. Our certified technicians are trained to know your vehicle best, and our Mopar Express Lane service departments are set up to get you in, out and back on the road. From parts and accessories to expert service and more, always be sure to choose Mopar. Learn more at [mopar.com](https://www.mopar.com)

specifications

EXTERIOR DIMENSIONS

(millimeters unless otherwise noted)

Wheelbase	2915
Overall Length	4822
Overall Width (at mirrors)	2154
Track (front)	1623, 1636 (SRT® / Trackhawk®)
Track (rear)	1627, 1634 (SRT / Trackhawk)
Height (at roof rail)	1761, 1717 (SRT / Trackhawk) (standard suspension / air suspension / SRT / Trackhawk)
Ground Clearance	218 / 264 / 210.8
Approach Angle (deg)	26.2 / 36.1 / 18.45
Breakover Angle (deg)	19.0 / 22.8 / 17.84
Departure Angle (deg)	24.0 / 27.1 / 21.9
Water Forging Depth	508 / 574 / N/A

INTERIOR DIMENSIONS

(millimeters unless otherwise noted, front / rear)

Seating Capacity (adults)	2 / 3
Head Room	1013 / 995
Leg Room	1025 / 981
Shoulder Room	1491 / 1474
Hip Room	1449 / 1428
Cargo Volume (cu m): rear seat up	1.03
rear seat folded	1.93

CAPACITIES / WEIGHTS

(kilograms unless otherwise noted)

Fuel Tank (liters)	93.1
Base Curb Weight (2WD / 4WD)	2112 / 2199
Payload Capacity, max / min (with all occupants and cargo)	612 / 475
Gross Vehicle Weight Rating (GVWR)	6600 (max Trackhawk)

STEERING

Electric rack and pinion (on all), SRT tuned and Trackhawk Overall Ratio	17.9 : 1 (V6 4x2), 16.7 : 1 (all others)
Turns, lock-to-lock	3.4 (V6 4x2), 3.2 (all others)
Turning Diameter (meters) curb-to-curb	37.1

BRAKE SYSTEM

Trackhawk Brakes:

Power, single-rate, tandem diaphragm vacuum, Antilock Brake System (ABS)	
Front: 330 x 32 vented disc	3.6 V6
350 x 32	3.0 V6 Diesel / 5.7 V8
380 x 34 vented disc with Brembo®	
6-piston caliper and ABS	6.4 V8
400 x 36	6.2 V8
Rear: 330 x 14 disc	3.6 V6
330 x 22 vented disc	3.0 V6 Diesel / 5.7 V8
350 x 28 disc with Brembo 4-piston caliper and single-channel ABS	6.4 V8
350 x 28	6.2 V8

ELECTRONIC STABILITY CONTROL (ESC) — 4-channel, 4-wheel antilock with active wheel-speed, vehicle-speed, steering wheel-angle, yaw-rate and lateral-acceleration sensors, vehicle stability management with 2-stage activation switch, All-Speed Traction Control, Brake Assist, Electronic Roll Mitigation (ERM) and Electronic Brake-Force Distribution (EBD)

VARIABLE VALVE TIMING — Offers increased engine breathing throughout the rpm range by varying the degree that the valves open and close in conjunction with the piston position. Results are tangible: better performance, more efficient operation and increased torque for towing and hauling (3.6 V6 and 5.7 V8)

FUEL SAVER TECHNOLOGY — Deactivates 4 cylinders during steady-speed cruising, low acceleration or shallow-grade climbing conditions (5.7 V8 and 6.4 V8)

TRANSMISSION — Driver-interactive manual control via steering wheel paddle shifters and electronically modulated torque converter clutch (standard on all models)

SRT® / TRACKHAWK® — Adaptive electronic control with driver-interactive manual control via steering wheel paddle shifters and electronically modulated torque converter clutch with seven drive modes: Auto, Sport, Track, Snow, Tow, Eco and Valet

BODY DESIGN — Uniframe construction: body panels and frame members welded and bonded into a single unit

SUSPENSION — Front: Short- and Long-Arm independent (SLA), coil springs, gas-charged, twin-tube coil-over shock absorbers, upper and lower control arms ("A" arms), and stabilizer bar. Rear: multilink rear suspension, coil springs, twin-tube shocks (including load-leveling for towing), aluminum lower control arm and independent upper links (tension and camber), plus a separate toe link

SRT / TRACKHAWK SUSPENSION — Front: SLA with aluminum lower control arm, aluminum knuckle, aluminum clevis, coil springs, Bilstein® Adaptive Damping Suspension (ADS), upper and lower control arms ("A" arms), and hollow stabilizer bar. Rear: multilink rear suspension, coil spring, Bilstein ADS, aluminum lower control arm, independent upper links (tension and camber), plus a separate toe link and hollow stabilizer bar

TOWING DATA

(kilograms, 4x4 and max cooling)

Maximum Trailer Weight Rating when equipped with available Trailer Tow Group

3.6 V6 Engine	2818
3.0 V6 EcoDiesel Engine (2WD / 4WD)	3400 / 3300
5.7 V8 Engine	3500
6.4 V8 Engine	3266
6.2 Supercharged V8 Engine	N/A / 3266

RESTRICTION: Trailer frontal area limitation of 5.94 square meters; maximum trailer length of 9 meters (Class IV); Trailer Sway Control and low-profile mirrors are recommended. This chart is meant to serve as a quick reference guide on how to properly equip your Grand Cherokee for towing. For specific details, discuss your plans with your Jeep® dealer, who will help select the right equipment to meet your specifications.

POWERTRAINS

Engine	3.0 V6 Diesel	3.6 V6 with Variable Valve Timing (VVT)	5.7 V8 with Fuel Saver Technology and VVT	6.4 V8 with Fuel Saver Technology and VVT	6.2 Supercharged V8

CELEBRATING YEARS OF THE JEEP BRAND

(1) Check state and local laws regarding the use of remote start systems. (2) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (3) The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility, please visit www.UconnectPhone.com. (4) Voice Text Reply feature requires a compatible mobile device that supports text messaging and Bluetooth. Visit www.UconnectPhone.com for system and device compatibility. (5) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to internet-supported features. (6) To use Android Auto on your phone screen, you'll need an Android phone running 5.0 or higher and the Android Auto App. Google, Android, Android Auto, YouTube and other marks are trademarks of Google LLC. (7) Always check entire surroundings visually before proceeding. (8) Always check visually for vehicles prior to changing lanes. (9) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (10) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (11) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (12) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (13) Always drive carefully, consistent with conditions. (14) Always drive carefully, consistent with conditions. (15) Always sit properly in designated seating positions with seat belts securely fastened at all times.
